COMPANY PROFILE

Gondal Sons, ISO 9001:2008 certified, ISO 13485:2003 certified and CE mark approved company has been manufacturing and supplying the surgical instruments, dental instruments and beauty care instruments worldwide. Our production unit is working under the supervision of skilled engineers and technicians which begins from high grade surgical stainless steel and hand craft them into instruments of perfect quality. A combination of traditional manufacturing method and modern technology helps us to produce all the instruments in quality, in time and at very affordable prices.
